## TEST REPORT

Report No. : **G21316** Date: 10/07/2015  
Aim of The Analysis : Private Demand  
Customer Name : NUMİL GIDA ÜRÜNLERİ SAN. VE TİC. A.Ş.  
Address : YAPIKREDİ PLAZA B.BLOK KAT:9 LEVENT İSTANBUL  
Sampling Date : 09/07/2015  
Sample Identification : AR - Özel Tıbbi Amaçlı Diyet Gıda - Aptamil Nutricia  
/ Product Code: 115001011  
Sample Package : Original cartoon box  
Sample Size : 300 g x 8 pieces  
Serial / Lot Number : P10040851 / 10122016  
Production Date : 10/06/2015  
Expire Date : 10/12/2016  
Barkod No : 8712400761420  
Producer Name : Importer: Numil Gıda Ür. San. ve Tic. A.Ş.  
Sample Received : 09/07/2015 Hrs: 17:00  
Start of Analysis : 09/07/2015 Hrs: 17:15  
End of Analysis : 10/07/2015

Following test results were obtained from the specimen which was packed by customer and collected by sampling team of Çevre Laboratory;

| Test           | Unit | Result       | Limit of Detection | Method                             | Information |
|----------------|------|--------------|--------------------|------------------------------------|-------------|
| GMO Analysis   |      |              |                    | ISO21569/ISO24276<br>Real Time PCR | 1           |
| 35 S Promoter  | -    | Not detected | 10 genome copies   |                                    |             |
| NOS Terminator | -    | Not detected | 10 genome copies   |                                    |             |
| FMV Promoter   | -    | Not detected | 10 genome copies   |                                    |             |

**Information** 1) Sample has been analysed for three GMO elements (35S Promoter , NOS Terminator, Fig Mosaic Virus Promoter) and all were detected negative. Detection limit of method is 10 genome copies

**Note** 1. Any part of this test report shall not be used individually or separately.  
2. Analysis results are valid only for the sample defined above.  
3. This analysis report shall not be used for legal/administrative procedures and advertising purposes.  
4. This analysis report shall not be copied partially or completely without permission from Çevre Endüstriyel Analiz Laboratuvar Hizmetleri Tic. A.Ş. You can obtain a signed copy of the report from our laboratory.
